Our People

Meet our amazing senior volunteer – Edda.

Edda is a very valued member of The Sula Family. She walks bigger dogs, cleans the whole stage area on her own, and puts many weightlifters to shame with her strength. Edda is the link between the rescue and Spanish speaking supporters, and her linguistic skills are treasured during Thursday markets.

In addition, Edda leads a group of volunteers who spend many hours making much needed dog toys. She even drives volunteers to the shelter! This month Edda adopted Daisy who was a long-term resident.

THANK YOU!

Moms and Puppies Keep Coming...

Beach rescue of mom and 4 puppies was a two-day marathon with many volunteers crawling between boulders to rescue the little family. Everyone is safe and getting lots of TLC at Barb's place – the puppy whisperer.

Another mom with 5 puppies has been saved. Caring person took the puppies to nurture them until they have a second vaccine and can join Sula.
