Our People

Meet our amazing volunteer – Kat.

Kat is a big part of our Sula family, who accompanies dogs on flights to their new families. Being a flight angel is one of the many and wonderful things Kat does for Sula's dogs.

She regularly travels to the airport to collect dogs in Canada and fosters until we can get them to their new homes. Furthermore, Kat transports the dogs to Vancouver Island from the mainland, and ensures they get to their next destination safely. While being on the go adventure enthusiast Kat includes Sula's dogs in her outdoor activities, and helps us find the perfect match for every dog she fosters.

Kat, thank you for being part of the Sula Family!

Puppies, Puppies Everywhere!

The Sula Society founders, volunteers and team members work tirelessly to look after dogs at the shelter rain or shine. Aside from rescue location itself Sula is lucky to have foster homes and satellite nursery locations to care for the most vulnerable or foster dogs. From January this year 69 puppies came into care. Some were rescued from the beaches, cliffs, middle of nowhere, or neglect, while others were born at the rescue or foster homes. Countless hours of bottle feeding, heartbreak when puppies do not survive, or joys of watching little lives flourish cannot be measured... Let's show those foster heroes and puppy whisperers love! Every penny or peso is appreciated and makes a difference. Thank you for your continued support!

Dog Lover's Purpose

"Whatever we are, whatever we make of ourselves, is all we will ever have—and that, in its profound simplicity, is the meaning of life." ~ Philip Appleman.

Be of help to those who rescue. If not the boots on the ground, then spread the word, share the posts. Love each dog, live to love.

Dog of the Month – Imelda

- I am a 4-year-old, Mexi Mix lady.
- I weigh 55 lbs. If you adopt me before heat embargo (May 15) you only pay for my flight.
- My past is horrific, yet I cannot stop smiling. I am a happy, independent gal.
- I am kenneled with a male dog, but I like to do my own thing.
- I walk on a leash like a pro, and my zoomies will have you in stitches.
