Our People

Meet our amazing volunteers
– Chris and Mish.

This dynamic duo is a valuable part of the Sula's family. They are always ready to help, and we are grateful for their commitment to the Sula's rescue.

From fostering dogs, to volunteering at the shelter, we can always count on help from Chris and Mish. This dog loving family is a "foster fail", and we couldn't be more excited for what the future holds for the little Henri. From their love of dogs comes the greatest gift of all – volunteering their time to help rescue dogs and support Sula Society efforts.

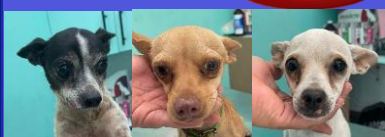

Thank you, Mish and Chris!

We are not disposable...

Banksy, Bobby, and Billy have been found abandoned in a trash. Those three gentlemen are chihuahuas and have started their medical protocols. Banksy being the oldest (10 years) still hopes for a miracle of a forever home. His first wish came true, they were found... Honey-colored Billy (3.5 years old), and cream-colored Bobby (2 years old) keep their paws crossed as well. Could it be you, to give one of those boys a deserving home?
