Our People

Meet Tanya – our
Volunteer Co-ordinator.

Tanya organizes our wonderful volunteers, and we rely on her to coordinate help at the shelter. She also sets up Sula events, and market sales that help Sula generate funds for much needed roof repairs. Tanya is amazing in connecting volunteers together and creating Sula community. She dedicates so much time to the rescue; she is "Sula'd" to the core.

Tanya, we are lucky to have you on our team!

Thank You For Your Support!

Every time we receive a donation, we are eternally grateful. Your contributions matter and are used in most conscientious way possible to provide for the dogs in our care. When you donate you are part of the Sula family and story to end animal suffering around the world.

We are GRATEFUL!

Spring Adopt A Bigger Dog Extravaganza

- ✓ For the month of April, we have amazing sponsors who are on the mission to help us adopt out our larger dogs. Bigger dogs are harder to place as many people choose smaller fur family member due to travel logistics. The difference between cargo and under the seat carrier air travel impacts our dogs greatly when it comes to the adoption inquiries.
- ✓ We believe that each dog regardless of size or colour deserves a home, and we are determined to adopt out our larger rescues.
- ✓ In April if you adopt a larger dog the cost of the flight will be deducted from the adoption fee. You will give home to an amazing dog and allow us to continue our rescue efforts.

Dog of the Month – Andy

- 5.9 years old.
- Boxer Mix, male.
- Brindle sweetheart.
- Great with kids and dogs.
- Loves walks, swimming.
- Meningitis survivor left with some neurological marks that do not affect his joy of life.

Princessa – Double Whammy Survivor

- ✓ I was loved dearly by a little girl, but it took one careless moment for me to get hit by a car. I am already a parvo survivor, as I was never vaccinated as a puppy. After the accident, my life was turned upside down... My family could not afford to help me, and I was surrendered to Sula.
- ✓ You may wonder about the quality of my life, but one thing is certain: I LOVE LIFE! I run with my wheels like a wind. I love exploring and I am full of spunk! I am a Rock Star!
